

Current Carrier

Bandwidth: _____

Platform (T-1, EoC, Etc.): _____

Public IP: _____

Firewall

Make: _____

Model: _____

Interface(s): _____

Infrastructure

Network:

Network / Subnet: _____

DHCP Range: _____

DHCP Reservations / Exclusions: _____

VLAN enabled (Y/N): _____

VLAN #1 Network / Subnet: _____

Purpose: _____

VLAN#2 Network / Subnet: _____

Purpose: _____

Additional VLAN(s): _____

PoE Enabled (Y/N): _____

Network Switch #1:

Make: _____

Model: _____

PoE Enabled (Y/N): _____

Network Switch #2:

Make: _____

Model: _____

PoE Enabled (Y/N): _____

Layer 2 devices (hubs, repeaters, etc) in use? (Y/N): _____

Server Configuration(s)

Server #1:

Machine Name: _____

Role(s): _____

Hardware:

Processor type/speed: _____

Memory amount / type / speed: _____

Storage capacity / array: _____

Public IP(s) required (Y/N): _____

Required peripheral devices: _____

Operating System: _____

Applications:

Application #1

Name: _____

Version: _____

Number of users: _____

Remote users: _____

Application #2

Name: _____

Version: _____

Number of users: _____

Remote users: _____

Application #3

Name: _____

Version: _____

Number of users: _____

Remote users: _____

Additional Information:

Server #2:

Machine Name: _____

Role(s): _____

Hardware:

Processor type/speed: _____

Memory amount / type / speed: _____

Storage capacity / array: _____

Public IP(s) required (Y/N): _____

Required peripheral devices: _____

Operating System: _____

Applications:

Application #1

Name: _____

Version: _____

Number of users: _____

Remote users: _____

Application #2

Name: _____

Version: _____

Number of users: _____

Remote users: _____

Application #3

Name: _____

Version: _____

Number of users: _____

Remote users: _____

:

Additional Information:

Server #3:

Machine Name: _____

Role(s): _____

Hardware:

Processor type/speed: _____

Memory amount / type / speed: _____

Storage capacity / array: _____

Public IP(s) required (Y/N): _____

Required peripheral devices: _____

Operating System: _____

Applications:

Application #1

Name: _____
