

TotalAssist Website Migration Services

Cbeyond's TotalAssist Website Migration Service transfers your website from your current web hosting provider to the Cbeyond Cloud. The service includes up to two hours of a dedicated migration engineer who serves as your primary point of contact to migrate your website code and provide setup services to ensure a successful transition. Our turnkey solution allows you to focus on your business so you won't have to worry about your technology.

Website Setup Services

Cbeyond can also provide Website Setup and Training Services.

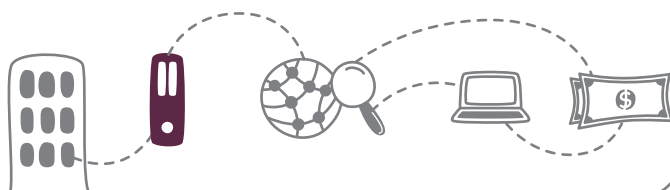

Website Setup and Training Services @ \$50.00 per hosting plan, include:

- Training on the Cbeyond Web Hosting Control Panel
- Setup of your Domain Address Record

Things you need to know:

- Website Migration Services does not include modifications to your existing website code base or migration of your shopping cart
- Additional fees may apply for website functionality that requires extended migration hours, custom configuration, multiple databases or additional development. Typical examples are add-on content or special scripting.
